

Distinguished Lecture Series
Calendar of Events 2012 – 2013
www.centerforautismresearch.com/events

OCTOBER 2012

October 4th

7:00pm—9:00pm

Abramson Research Center, Room 123ABC

“Autism and the DSM: History, Current and Future Criteria, and Implications”

Susan Levy, MD, Director, Regional Autism Center; Medical Director, Center for Autism Research; The Children’s Hospital of Philadelphia

Judith Miller, PhD, Director of Clinical Training, Center for Autism Research, The Children’s Hospital of Philadelphia

Gail Stein, LCSW, Research Clinic Social Worker, Center for Autism Research, The Children’s Hospital of Philadelphia

NOVEMBER 2012

November 8th

7:00pm—9:00pm

Colket Translational Research Building, Room 1200A&B

“Anxiety and Autism Spectrum Disorders”

John Herrington, PhD, Associate Director of the Developmental Neuroimaging Laboratory, Center for Autism Research, The Children’s Hospital of Philadelphia

Martin Franklin, PhD, Director, Child and Adolescent OCD, Tic, Trich & Anxiety Group (COTTAGE), University of Pennsylvania

DECEMBER 2012

December 13th

7:00pm—9:00pm

Colket Translational Research Building, Room 1200A&B

“A 20 year Perspective on Trying to Understand Autism”

Clarence E. Schutt, PhD, Director & Chief Scientific Officer, Nancy Lurie Marks (NLM) Family Foundation

December 13th

4:00pm—5:00pm

3535 Market Street, 16th Floor, Room D

“A Structural Biologist Looks at Autism: What is it?”

Clarence E. Schutt, PhD, Director & Chief Scientific Officer, Nancy Lurie Marks (NLM) Family Foundation

JANUARY 2013

January 17th

7:00pm—9:00pm

Abramson Research Center, Room 123ABC

“Autism: Epidemiology and Etiology “

Jennifer Pinto-Martin, PhD, MPH, Viola MacInnes/ Independence Professor of Nursing, Chair, Department of Biobehavioral Health Sciences, University of Pennsylvania

(Continued on Reverse)

FEBRUARY 2013

February 7th 7:00pm—9:00pm
Abramson Research Center, Room 123ABC
“Using fMRI to Study the Brain”
Robert Schultz, PhD, Director, Center for Autism Research, The Children’s Hospital of Philadelphia

February 21st 7:00pm—9:00pm
Abramson Research Center, Room 123ABC
“The Brain and Gamma Synchrony, Excitation/Inhibition, and Translational Research”
Timothy Roberts, PhD, Vice Chair of Research, Department of Radiology, The Children’s Hospital of Philadelphia

MARCH 2013

March 7th 7:00pm—9:00pm
Abramson Research Center, Room 123ABC
“Infant and Toddler Research in Autism Spectrum Disorders”
Sarah Paterson, PhD, Director of the Infant Neuroimaging Lab, Center for Autism Research, The Children’s Hospital of Philadelphia

March 21st 7:00pm—9:00pm
Abramson Research Center, Room 123ABC
“The Genetics of Autism”
Hakon Hakonarson, MD, PhD, Director, Center for Applied Genomics, The Children’s Hospital of Philadelphia

Maja Bucan, PhD, Professor of Genetics, Chair, Genomics and Computational Biology Graduate Group, University of Pennsylvania

Tara Wenger, MD, PhD, Pediatric Genetics Fellow, The Children’s Hospital of Philadelphia

APRIL 2013

April 4th 7:00pm—9:00pm
Abramson Research Center, Room 123ABC
“New Findings on Implementing Evidence-Based Practices for Students with Autism in Public Schools”
David Mandell, ScD, Director, Center for Mental Health Policy & Services Research, University of Pennsylvania Perelman School of Medicine; Associate Director, Center for Autism Research, The Children’s Hospital of Philadelphia

April 18th 7:00pm—9:00pm
Abramson Research Center, Room 123ABC
“FaceStation and Social Motivation Theory”
Gregor Kohls, PhD, Scientist, Developmental Neuroimaging Laboratory, Center for Autism Research, The Children’s Hospital of Philadelphia

ABOUT THE CENTER FOR AUTISM RESEARCH: The Center for Autism Research (CAR) is a collaborative effort between The Children’s Hospital of Philadelphia and the University of Pennsylvania. CAR’s goals are to identify the causes of autism spectrum disorders (ASD) and develop effective treatments. CAR conducts research studies for infants at risk for being diagnosed with ASD (due to having a sibling already diagnosed) as well as toddlers and school-aged children. Families receive comprehensive assessment reports and are paid for their time and travel costs. For more information, visit www.centerforautismresearch.com/events

Please RSVP to ensure adequate space. Times and locations are subject to change.
