

MusicWorks The Delaware Valley's Premier Music Therapy Service Provider

MusicWorks introduces small group music therapy sessions in Delaware County to help children and young adults with autism spectrum disorders, Down syndrome, cerebral palsy, and developmental delays.

Our Board Certified Music Therapists work on learning and communication, focus and attention, fine and gross motor skills and socialization within the group through the use of music. Music therapy is a treatment which helps improve self-confidence and self-esteem by enhancing imagination and creativity.

Group sizes will be up to 6 individuals per session. For 30 minute sessions, the cost is \$25.00 per session. Locations in Havertown, Swarthmore and Media.

New classes forming! New students always welcome!

For residents of Delaware and Montgomery Counties, we provide services for Magellan Behavioral Health.

MusicWorks is a nonprofit 501(c)(3) offering financial assistance for families that qualify. MusicWorks was founded by Jerry O'Leary, MA, MT-BC in 2002.
